## Museum Serves as Site of Surprise “66 on 66” Birthday Event

The California Route 66 Museum was the site of a surprise 66<sup>th</sup> birthday party with more than 100 relatives, friends and local car-club members at a mostly outdoor event on a cool, windy Tuesday, Feb 27, 2007.

Vaughn Veit, CEO, of a specialty contracting and waste management company in Minnesota, is a hot rodder, Johnny Cash fan and veteran Route 66 traveler.

He said he was utterly surprised by the event, which had earlier been described to him merely as a car show. It was, plus a catered luncheon, a concert by a strikingly realistic Johnny Cash tribute artist and friends, especially Barbara Force, who spent months planning the event. Museum President Chick Kirk, spoke briefly and presented several Gift Shop items to Mr. Veit as birthday gifts.

This was the second time recently that the Museum has hosted a private party; in November 2006 the Museum was the site of a catered breakfast for The Class of 66, Victor Valley (Victorville) High School.
