

Specialty Contracting & Waste Management

INDUSTRIAL CLEANING

Service Offerings

What can you expect from Veit Industrial Cleaning Services? Proven cleaning techniques and powerful new technologies that deliver outstanding results – safely. Our award-winning safety program consistently keeps Veit’s experience modification rating at the top of the industry.

Veit enforces worker safety through:

- HAZWOPER training
- Confined space training
- OSHA certification
- Mine Safety and Health Administration guidelines
- Energy Coalition for Contract Safety guidelines

You’ll appreciate the way our project management process keeps you informed and drives faster project completion, too. Whether you need routine plant maintenance or process equipment cleaning, facility or hazardous materials decontamination, tank or sewer cleaning, Veit is equipped and ready for your toughest challenge.

Call 763-428-2242 for an estimate today.

Veit workers tackle cleaning at a petroleum refinery.
